

Unit 4 - correction

To correct unit 4 by the suggestion of Darren, I made the following changes.

Task 1 - The presentation

I added a small paragraph describing Management Information Systems on slide 4.

On slide 9, I improved the description of External Pressure.

Task 3 - The leaflet

I went into further detail on each point, explaining how they work, and what effect this has.

Task 3a - The report

Went into more detail on the issues

Task 4 - The evaluation

Went into more detail on certain aspects and added a more in depth conclusion outlining why I think TESCO has made the best use of technology.
